

## Used Uniform Sale

*IF YOU ARE BRINGING CLOTHES FOR A FRIEND WHOSE CHILD NO LONGER ATTENDS MA, PLEASE PASS ALONG THIS INFORMATION.*

1. **SELLERS:** Pin an index card or piece of paper—not adhesive labels—with your name as you want it to appear on any checks, the price, the size on the garment (see picture below) and whether the item is for a girl, a boy, or unisex. The price cannot exceed  $\frac{1}{2}$  the price of brand new items. Check the Dennis Uniform price sheet or visit [www.dennisuniform.com](http://www.dennisuniform.com) for current prices. Pricing your garments in advance helps speed checkout and makes for a smoother sale. Items not priced in advance *may* be sold for \$1.
2. **SELLERS:** Please only submit clothes that are clean with no rips, tears, holes or stains. If you wouldn't buy it, please don't try to sell it. Items that are not MA approved uniform pieces will be rejected. Plan to drop off clothes the day before the sale or at the latest, the morning of the sale.
3. **BUYERS:** There are no fitting rooms. Please visit Dennis Uniform-Nashville before the sale to determine what size you'll need.
4. **BUYERS:** Remember you are paying each seller separately so bring several checks or lots of small bills (\$1s and \$5s—not \$20s).
5. **SELLERS:** Plan to pick up unsold items from the multi-purpose room within 24 hours of the end of the sale, or consider it donated to MA. You may pick up your monetary proceeds at the office the day after the sale.

Place the garment on the hanger with the hook to the left, and the price tag info on the right as you face the hanger.
